

*We exist to be the knowledgeable statewide voice that influences policies and practices that impact youth who have or will experience out of home care.*

## ROLES DURING STATEHOUSE DAY

1. **Introductions:** *(Hi, we represent the OHIO YAB, which is the statewide voice of foster youth. We are with the (county) board, which is in your district).*

2. **Depending on the role of the legislator, and the committees they serve on, you might share up to three issues:**

- a.) [Foster to College Scholarship](#)
- b.) [Youth Who Run Away to Escape Abuse](#)
- c.) [Sibling Connections Matter](#)

**Among your group, for each issue, you will assign who is sharing:**

	The Problem	Personal Story	The Ask
Foster to College			
Runaway Youth			
Siblings			

*\*For the Ask, you can hand the legislator the one-pager that covers that issue, linked to above. The one-pagers will be helpful in describing the Problem as well.*

3. **Appreciation and Request to Take a Photo**
